

Thank you for being a traffic safety partner with the 55+ Driver Discount Program here at Precision Driving Center of Minnesota (PDCM), formerly Minnesota Highway Safety and Research Center.

In this envelope, I have included the upcoming schedule for our 55+ Driver Discount Program classes in your area. These class schedules are updated daily and the most recent listings can also be found on our website: <https://www.stcloudstate.edu/precisiondrivingcenter/55-plus/classroom.aspx>. If you receive these quarterly mailings, we have the option of emailing these lists to you once a month if you would like to be added to our email list. If you would like to receive schedules for additional regions in our state, please let us know and we would be happy to arrange this.

This month we are sending out a physical copy of our classes to every agent in addition to the emailed copy because we have additional materials to share with you. I have included a handful of our new bookmarks for our 55+ Driver Discount Program after the rebranding this summer. If you would like more bookmarks sent to you, please email me at Christina.Donnay@stcloudstate.edu to request them and I would be happy to send more out.

We have also included a new coupon for your customers for \$2 off a class and this coupon is valid through the end of December 2025. Please feel free to share this coupon with your customers and make additional copies as needed. One coupon works for up to two people and the coupon is valid for online classes, in person classes, and our distance learning classes over Zoom.

A friendly reminder- **As of July 1st, 2024**, Minnesota has removed the initial 8-hour requirement that was needed to initially earn the discount. The requirement to earn the discount now is a 4-hour course per statute 65b.28. Due to this change in the Minnesota statute, all classes that we offer are the 4-hour 55+ Driver Discount Program course that anyone can take regardless of where they are in their discount journey. The 3-year renewal requirement is still applicable to maintain the discount.

If you have any questions, please let us know!
